

ASSISTANCE FROM THE ROTARIANS.

The Sith Sewana Childrens home for the differently abled was the beneficiary of a benevolent project organized by the Rotary Club Of Colombo Metropolitan led by Mr. Rukshan Perera and Mr. Michael Perera.

It all started with the arrival of Mr Luke De Silva from the United States Of America also a Rotarian and a member of the Stamford Rotary Club of Connecticut in the USA who happens to be a dear friend of Mr Gamini Kanangara who is a well wisher , helper and close associate of Sith Sewana and it's residents.

On Mr Kanangara's request Mr. Luke de Silva approached Sri Lankan Rotarians the Rotary Club Of Colombo Metropolitan and requested them to sponser the project on the basis that he would match what ever the amounts collected by the Sri Lankan chapter. This has now materialized into a major and much needed project and is in it's final stages.

The Sums collected by the two clubs amount to nearly two million Sri Lankan Rupees with the sum of Rs 755,000.00 already granted to Sith Sewana for the following much needed renovations and refurbishments to the Boys dormitory.

Replacement of floor tiles.

Painting of walls.

Rebuilding Roof and constructing a ceiling (To keep reptiles away)

Replacing of Beds and Pillows.

.

In addition to the above the funds collected will help to build a Medicine room and renovate the kitchen and upgrade same which is currently in dire need of refurbishment..

Sith Sewana is most grateful to the Rotarians for this very deserving necessity for the Children and needless to mention that it would have not been a reality if not for the untiring efforts of the Rotary Club Of Colombo Metropolitan chiefly Michael, and Rukshan, Luke, from the Stamford Rotarians USA, and of Course Mr. Gamnini Kanangara who initiated the project set the ball rolling.

Sith Sewana and it's residents will be ever grateful to all of them.
